

2023 orders for Lamb
Ready for pick-up in mid to late October 2023

DEPOSITS: \$60 for half lamb / \$100 for whole lamb

PAYMENTS: Cash, check, Venmo or Zelle – payment plans can be arranged. Orders must be paid in full to receive product.

ESTIMATED COSTS: Hanging weight determines final costs. \$8/lb half lamb, \$7.50/lb for whole lamb. Hanging weight is estimated to be about 50 lbs per lamb, resulting in about 40 lbs of cut/wrapped/labeled meat. Based on this variable, **total investment would be approximately \$200 for a half lamb and approximately \$375 for a whole lamb.**

CUTS: Cuts are provided to specification from an FDA inspected facility.

AS AN EXAMPLE: An average whole lamb approximately consists of:

- 2 leg shanks or ground meat
- 2 shoulder roasts, kabobs or ground meat
- 2 rack of ribs or chops
- 2 loin roasts or chops
- 2 leg roasts, or sirloin chops, or steaks
